

Capabilities Statement

Company Overview

CK Consulting, founded in 2024, is a boutique firm for comprehensive strategy, operations, and management consulting, specializing in risk and compliance management solutions with cybersecurity integration. With over 30 years of combined legal, military special operations, Intelligence Community, defense cyber enterprise, and strategic planning expertise, our firm is dedicated to extracting data-driven insights and transforming them into deliverables and actionable strategies for clients.

Core Competencies

- Organizational Strategy & Alignment
- Leadership & Governance Structures
- Change Management
- Operational Efficiency Assessment
- Process & Workflow Improvement
- Legal Risk Assessment & Mitigation
- Cybersecurity Threat & Risk Assessments
- IT, Cyber, & Privacy Compliance & Strategies
- Supply Chain Risk Management (SCRM)
- Third Party Risk Management (TPRM)
- Cybersecurity-focused SCRM & TPRM
- Supplier/Vendor Risk Assessment & Mitigation

Past Performance

- **Comprehensive Risk Management Programs:** Led by an experienced General Counsel, we have developed comprehensive legal and compliance strategies for entities in multiple regulated industries, or subject to regulatory frameworks, to significantly mitigate potential legal, financial, and reputational risks.
- **Strategy and Operations Enhancements:** Implemented strategic initiatives, such as user-friendly tech and workflow automations, that reduced processing times and improved operational efficiencies between organizational units and across various organizations.
- **Cybersecurity Integration:** Built processes & training, and designed cost-effective solutions, to integrate cybersecurity tailored to client-specific needs, significantly enhancing cyber threat resilience and defense.

Differentiators

- **Integrated Approach:** Our unique approach, including holistic legal advisory, strategy, risk management, and cybersecurity, offers a comprehensive service unmatched in depth and breadth.
- **Experienced Leadership:** Our managing partners bring unparalleled expertise from high-stakes environments including legal practice, military operations, and global intelligence.
- **Client-Centric Strategies:** We prioritize client-specific needs and contexts, delivering customized solutions that address the unique challenges and opportunities of each client.
